

Bree Morgan Bio – March2024

Grit, Rasp, Sass, and Love best describe Bree Morgan.

From listening and rapping to her mom's hip hop CDs, singing along to every 90's female country artist or a rock/pop song on the radio, or even playing around on her first guitar; something inside of her moved her enough to pursue a life of music.

Performing across the Midwest and beyond, Bree is on her own course to share her fun, energetic, and passion for music as a solo artist, as well as managing her own full band Bree Morgan Reloaded.

Bree has opened for country music stars such as Martina McBride, Jo Dee Messina, Joe Nichols, Craig Campbell, Niko Moon, LOCASH and has two studio albums under her belt. She has been voted since 2020 as one of the "Best of Madison"'s in multiple categories including Local Band and Singer-Songwriter.

With those two studio albums and new singles on the way, Bree continues to pave her own way as an independent artist.
